

AGREEMENT OF COOPERATION

between

Institute of Metallurgy and Materials Science, Polish Academy of Sciences

and

Karpenko Physico-Mechanical Institute of the National Academy of Sciences of Ukraine

Institute of Metallurgy and Materials Science (hereinafter referred to as **IMIM**), located at 25, Reymonta str., 30-059, Krakow, Poland, and **Karpenko Physico-Mechanical Institute of the National Academy of Sciences of Ukraine** (hereinafter referred to as **PhMI**) located at 5, Naukova str., Lviv, 79060, Ukraine, agree to:

1. Establish the following cooperation agreement for legal basis of scientific cooperation;
2. Perform joint research in:
 - investigation of titanium alloys' microstructure after treatment.
3. Provide the exchange of scientists to carry out the planned joint investigations;
4. Work on the suggestions for joint research projects financed by national or international sources;
5. Prepare the joint publications and facilitate the scientific publications of one side in the journals of other side, to exchange the experience in management and technology of printing of journals.

The agreement activities are realized only upon common agreement of IMIM and PhMI and availability of required sources for each particular activity.

This agreement is intended for a five years period and will be effective when it is signed by both parties. The agreement signed in English, in duplicate, both copies being equally valid.
